OFFER TO EXCHANGE CUTICLE.

Girls Scalded by Machinery Would
Assist Each Other.

Another piece of cuticle has been successfully grafted to the skull of Adele Lynch, who was scalded a few weeks ago when her hair caught in a belt in a printing establishment where she was employed.

Twice has Doctor Nietert been successful in grafting skin to the girl's head. The first operation was performed the day after Miss Lynch was taken to the hospital. Doctor Nietert says that if success continues to crown his efforts the girl will have a new scalp inside of a year.

The skin for the grafting process has been taken from the arm of Adele's relative, a friend, but it is not probable that they will be called on again to part with any more epidermis, as fully finished, the girl who was scalded in a similar manner about a year ago, has offered to give all the cuticle needed for future operations.

Adele Lynch has volunteered to do the same for Ruth Hildner, who was scalded when she was scalded by machinery.

It is said that she will probably allow the girls to help each other. Both girls are in the same ward at the hospital and are constant companions.

TEACHING HUSBAND A LESSON.

Mrs. Mueller Prosecutes Her
Spouse and He Is Fined.

August Mueller of No. 711 South Second street was arraigned in the First District Police Court yesterday morning charged with beating his wife, Christina.

Mrs. Mueller testified that her husband had not worked for nearly two years. In all that time, she said, she had supported the family. Accordingly, when her husband got money from her, she said, he went out "spending" with the boys and came home with a third in his hand and pull her about the house by her hair. On Saturday, she said, he nearly strangled her. She said she was a mother of a boy and a girl, and she was a mother's statement. Judge Schuler imposed a fine of \$10.

"I only want to teach him a lesson," said the wife as she left the witness stand. "I think a short time in the Workhouse will do him good."

THREE OF THE DEMOCRATIC CANDIDATES RUNNING FOR ST. LOUIS COUNTY OFFICES.

DAVIS BRIGGS,
Candidate for Prosecuting Attorney.

Chairman J. B. Sudduth of the St. Louis County Democratic Central Committee said yesterday that one of the most active competitors in the history of the county Democratic ticket would be waged for the success of the ticket nominated last Saturday at Clayton.

The Democrats are confident that they will elect C. J. Hiller, the candidate for Sheriff, on account of the unpopularity of the incumbent, the Republican, candidate, hundreds of Republicans have announced

their intention of supporting Hiller. Mr. Hiller, the Democratic nominee, was born in Prussia in 1854 and came to St. Louis County in 1878. He was twice elected Representative in the State Legislature from Harrison County and served as Chief Grain Inspector of the State from 1895 to 1898.

The Democrats are also confident they will elect the Judge in the First District for the County Court. That is the position for which Henry H. Albers of Florissant

has been nominated. It is expected that the Republicans living in Webster and along the St. Charles Road will scratch his opponent, Judge J. R. Brunker, on account of his action in their railway troubles.

Davis Briggs, the candidate for Prosecuting Attorney, is only 25 years old, but is regarded as one of the brightest lawyers in the county. He is a son of Judge William H. Briggs of the St. Louis Court of Appeals.
